Dear Hartley:

You recently sent us a Confidential Record Sheet for the above named individual. This indicated that the man had been arrested for sexual abuse of a fourteen year old boy.

We would like something in writing that would substantiate and document the arrest and also his confession to the charges. Can you secure copies of the court records or copies of newspapers where this information might have appeared?

The material indicated is most necessary, if we are to have a strong file to enable us to refuse registration anywhere in the country.
